Open to remote, freelance, and contract work

PROFESSIONAL SUMMARY

Creative lead, AI-powered video editing team lead, and senior motion designer with 8+ years of experience across graphic design, animation, and video production. Built a creative team from 1 to 20, delivering 300+ videos for 60+ international clients. Combines hands-on SaaS explainer and product video production with art direction, team leadership, and production management.

PROFESSIONAL EXPERIENCE

Creative Lead (Video) | Get Levrg

Jun 2024 - Present

- Built and scaled a multidisciplinary creative team from **1 to 20** people across design and video.
- Lead an **AI-powered video editing team**, bringing AI video and asset generation into day-to-day production.
- Led and contributed to the delivery of **200+ videos** for **60+ international clients**, combining hands-on animation with creative direction.
- Manage production planning, task allocation, schedules and quality reviews; collaborate with Project Managers and Client Success Managers.
- Present creative concepts to clients, translate feedback into production direction and guide team members through execution.
- Report to the Service Delivery Director on team performance, workload and delivery priorities.

Senior Animator & Video Editor | Get Levrg

Nov 2023 - Jun 2024

- Created SaaS explainers and product videos, from storyboarding and art direction to animation, video editing and final review.

Motion & Graphic Designer | Fly Far International

Sep 2022 - Mar 2023

- Created graphic designs for digital and print, alongside motion content; maintained brand consistency across creative assets and managed a creative team.

Creative Supervisor | Positive Engage

Sep 2020 - Aug 2022

- Developed brand-consistent visual and motion content, guided the creative team, and supported its creative development.

Senior Graphic Designer | Trumptree360

May 2017 - Nov 2019

Previously Graphic Designer | Nov 2015 - May 2017

- Produced graphics for print, digital and social media while managing multiple design projects.
